

Part-time Participation in CLA's High School Program

1. **Application Process:** All candidates should fill out a student application (part-time format) and have an initial meeting with the administrator or principal. Applicants must meet the same guidelines as do full time students.

2. **Attendance/Records:** Attendance records will be kept and quarterly grade reports will be provided. High school credits will be earned for creditable courses. Early arrivals and late pick-ups should wait in a designated waiting area. Home school students will be responsible for following all regular student conduct and dress code policies.

3. **Cost:** There is a \$50 registration fee. There is no charge for the use of non-consumable textbooks. Consumable materials will be billed at our cost. The cost for each one-credit course (typically year long) is \$500. This can be paid by the start of school or \$125 can be paid by the first day of each quarter.
