

Dear High School Parent,

The CHAT groups and LAPS groups will be taking numerous local trips throughout the school year. Often getting permission slips returned is very difficult. We are asking you to sign this “universal” field trip permission form that will enable us to transport students throughout the 2009-10 school year. All drivers will be approved by the school. If you have any concern about doing this, please note this on the form and your son/daughter can continue to have a separate form for each trip. Thank you!

Mr. Mayrant, Principal
